	<p>Fixtures, Results and Ladders will be displayed on the BMTA websites, www.bmta.com.au</p> <p>The website will be updated once all game cards have been received.</p>

Item 17	Registrations/Player Eligibility
	<p>All players must register using the online registration system by <u>week 2, the 27th July 2018.</u> Any players with incomplete details on the registration system or whose club has not paid fees in full will not be deemed to be registered.</p> <p>A team found playing an unregistered player may be disqualified.</p> <p>There is no maximum number of players that can be registered and correctly identified on the team registration form. A team may, however, only play fourteen (14) players per match. Players / coaches / officials can only represent one Metro Cup participating club. With Clubs having both a Premier Opens and Division 1 team, the club may choose which division a player participates in on any given night, depending on the club's selection policy. In this situation, if a player is correctly registered on the Premier Open team registration form then the player does not need to be also registered on the Division 1 team registration form and vice versa.</p> <p>Players may only play in one division on any one night. Where a club has more than one team in Division 2, a player can only play in one team per Competition.</p> <p>Players found to have played in more than 1 division per Metro Cup night will be asked in writing to show cause why the team should not be stripped of competition points from the grade/match in which they are not registered, or if this becomes unclear, from one or both the divisions that the player took part in. Appeals against the decision of the Competition Manager can be directed to BMTA.</p> <p>Players must complete a sign-on sheet before taking the field each night. At least 50% of sign-on sheets must be signed to be eligible for finals. The 50% rule applies to the lowest division played and allows a player to qualify for a higher division. For example:</p> <p>Player A (div 1 registered) plays 7 games in Div 1 and 3 games in Premier. This player can play finals in either Premier or Div 1 but can only play one finals game per night.</p> <p>Player B (div 1 registered) plays 7 games in Premier and 3 games in Div 1. This player can only play finals in Premier as the player has not played 50% of games in the lower division.</p> <p>Player C (Premier registered) plays 6 games in Premier and 6 games in Div 1. This player can play finals in either Premier or Div 1 but can only play one finals game per night.</p> <p>The determining factor for finals eligibility is the number of times for each</p>

division the sign-on sheet is signed; the team registration sheet is not the determining factor.

An exemption to the above rule applies should a club qualify for a Premier and Division 1 Grand Final:

A player who plays 11 rounds in the Premier division and 3 round games in Division 1 will be eligible for Premier or Division 1 finals, should a club qualify for Premier or Division 1 finals. This player must play at least 3 games in Division 1, should they be required to fill in for Premier for more than half of the season, before they are eligible to play in the Division 1 final. However the higher Premier division must have the full 14 players play in the final for this exemption to take effect. The amount of games played will be determined by the teams sign on sheets at the end of each round.

Dispensation for finals eligibility may be granted for a player who has not signed 50% of game cards where a written request is submitted to the Competition Manager on the grounds of;

Injury: A doctor's or physiotherapist's certificate covering the games missed must be submitted. The BMTA Competition Manager must be notified of the Injury within 14 days of the injury occurring, no backdated medical certificates will be accepted, or

Other exceptional circumstances can be demonstrated (such as international travel).

To consider dispensation, the request must demonstrate the player's involvement with the club, including previous playing history. Requests for dispensation should be submitted as soon as possible by one of the two registered Club Contacts.

No additional players will be allowed to be registered from Round 6. The only additional players Clubs can utilize after this time are players from the Club's current registered Junior teams.

A team found playing an unregistered player or a player who has not signed the team card will be asked in writing to show cause why the team should not be stripped of competition points.

Appeals against the decision of the Competition Manager can be directed to the BMTA General Manager.

Item 18	Player Transfers
	<p>Any player who wishes to change clubs/team, either before* or after the commencement of the season must submit a written request to the Competition Manager, together with a release in writing from the player's current club. No release can be granted after the half-way point of the season.</p> <p>Any release must include confirmation that there are no outstanding fees owed by the player to the releasing club.</p> <p>Any club that will not supply a written release will be asked to provide a written statement showing cause for refusing the release of the player.</p> <p>*Any player named and signed on a Club Premier grade squad list is deemed committed to that club for the 2018 season. A player must seek a release if they choose to change clubs before the commencement of the season</p>
Item 19	Scheduling/Rescheduling of Fixtures
	<p>Safety of participants and preservation of BMTA facilities, particularly the playing surface, will at all times take precedence over the competition program. If games are cancelled because of wet weather or other reasons, teams/clubs will be notified. Every effort will be made to replay postponed games. If time constraints prevent this, alternative fixture nights and/or days, and the use of 'double points' fixtures may be used. BMTA reserves the right to adjust the fixture program as deemed appropriate. There will be no appeal over the rescheduling of fixture matches.</p> <p>The competitions schedule will be set by the Competitions Manager and no requested rescheduling will take place.</p> <p>For rain affected nights, if two (2) or more rounds are washed out, they will be caught up if time and venues are available during the remainder of the season. If needed this may be scheduled on a weekend.</p>
Item 20	Finals Series
	<p>The Finals Series will consist of a two week final system, consisting of Semi-Finals, Preliminary Finals play on separate Friday nights and the Grand Finals played on Saturday, 10th November 2018 for all divisions.</p> <p>The exact format of finals will be determined for each division once teams are confirmed.</p>

Positions for the Final Series will be determined as follows:

1. Competition points - if equal
2. If equal - Difference (for and against)
3. If equal – Percentages
4. If equal – Highest Touchdowns For
5. If equal – Lowest Touchdowns Against

DIFFERENCES

The difference is determined by subtracting the total of Touchdowns scored ‘against’ from the amount of Touchdowns scored ‘for’. The team with the best difference will obtain the higher position. If teams have the same ‘difference’ the percentage system would then apply.

PERCENTAGES

The percentage is determined by placing Touchdowns ‘for’ over Touchdowns ‘against’ and multiplying by 100. If teams have the same ‘percentages’, then a Drop Off will be played between the two teams to determine the final ranking.

Item 21

Club Champions

After the completion of finals matches, the four semi-finalists will be assigned points according to the table below. These points will be accumulated across the divisions for each club, and the club with the most points will be declared the Club Champion.

If a count back is needed the count back will be determined in the following manner:

1. The Club with the most premierships, if equal
2. The Club with the most second places etc, if equal
3. The Club with the highest placing in the Premier divisions.

	Premier	Div 1	Div 2
First	24	12	8
Second	12	8	5
Third	8	5	3
Fourth	5	3	2

Item 22	Code of Conduct / Judiciary
	<p>Except as provided in this section, BMTA and all teams and participants agree to be guided in respect of judiciary and code of conduct matters by <i>A Ready Reference Guide on Judiciary Matters</i> prepared by Touch Football Australia. BMTA requires all players, coaches, managers, referees, parents and other spectators to behave in a sportsmanlike, respectful, non-abusive and non-violent manner at all times. Team coaches, managers and captains are responsible for the behavior of all players.</p> <p>BMTA will not tolerate inappropriate behaviour on or off the field at its competitions. This is in line with the Australian Sports Commission recommendations and the Touch Football Australia Code of Conduct for all Participants which can be downloaded from www.austouch.com.au. Players/Officials will at all times comply with the reasonable and lawful directions, requests and instructions of BMTA. Players/Officials causing willful damage to property of BMTA will be required to take responsibility for that damage and make appropriate restitution. Such players may also expect to be suspended or dismissed from participating further in the Metro Cup and any future BMTA Competitions.</p> <p>Any player/official caught participating in a “nude/streak” run during any part of the Metro Cup Competition, will be suspended from all touch for a period of twelve (12) months from the date of the offence.</p> <p>The taking or supplying of any illegal drug will not be tolerated. Any Player/Official found to be breaking the law by using or supplying illegal drugs will be handed over to the Police for due process.</p> <p>Referees are entitled to caution players, coaches, and managers. Captains are responsible for the behaviour of their teams on the field and will be the primary communication link between teams and the referees. Referees may require a player to be replaced temporarily, to go to the “sin bin” for a period of time, or to leave the field of play for the remainder of the game. Coaches, managers, and spectators displaying inappropriate behaviour may be asked to move away from the sidelines or ends of the field. Referees at their discretion may take action against teams for the conduct of their coaches, and managers if in the referees’ judgment such persons are displaying inappropriate behaviour. Referees are the sole judge of fact.</p> <p>Replacement Option This option comes into play when a referee feels a sin bin is too harsh, a penalty is not quite enough or if a referee feels a player needs a ‘cooling off’ period. If it is the case that a referee replaces a player, the signal is both arms crossed and above the head, similar to an half caught signal only higher.</p>

The replacement player must be off the field, before the substitute can enter, as per replacement rules, however, the game should continue while the players are changing.

If a player is replaced, it is the duty of the coach or manager to control this player while they are off the field. If the player returns to the field and is still a problem, the referee may utilise any option necessary to maintain control.

A player sent from the field for the remainder of a game will receive an automatic 2 match suspension. For offences receiving a suspension of two weeks or less, a full judiciary panel does not have to be convened, with the Judiciary Chairperson only required to adjudicate the penalty. The Judiciary Chairperson, on consideration of any incident reports, has the right to issue up to a maximum 2 week suspension or reduce the penalty or to refer the matter to a full Judiciary for determination of increase, decrease or retention of the automatic penalty.

Any player, who receives three separate periods of time in three separate Metro Cup games, will receive an automatic two-match suspension and may be referred to the Judiciary Chairman for further action.

A player dismissed after any previous 'Period of Time' dismissal, or for an offence such as gross misconduct or a dangerous act is to take no further part in that match and it to move to and remain no closer than ten (10) metres from the scoreline. The dismissed player cannot be replaced and that player shall receive an automatic two (2) match suspension from all matched conducted by any affiliated Touch Association.

The suspension applies to the next two matches (including byes) the team participates in, during the Metro Cup. It does not include games that their team forfeits. Games forfeited to the suspended player/s team will count.

Written incident reports submitted to BMTA citing a player, team, club, association, official or other person for misconduct will be forwarded to the Judiciary Chairperson for consideration. The Judiciary Chairperson may decide to dismiss the matter or convene a Judiciary to consider appropriate action.

Incident reports by referees/players/coaches/team officials must be lodged in writing by 9.00am the Monday morning following the round in which the incident took place. It must be signed by the referee, team captain, coach or club official. BMTA will then investigate the incident and the Official who signed the protest will be notified of any further action required.

Item 23	Protests
	<p>Protests must be lodged within 20 minutes of the conclusion of the relevant fixture, and must be in writing. Protests must be signed by the team Coach or Club representative and lodged with the Metro Cup Competition Manager and the administration's office.</p> <p>Protests will not be accepted, based on a Referees decision during the match.</p>
Item 24	Doping Policy
	<p>The TFA Doping Policy is the policy determined by the General Committee of the TFA, from time to time, which relates to the TFA's position on all doping practice matters.</p> <p>The TFA Doping Policy will be enforced and the Australian Sports Drug Agency could (in accordance with their normal policy) random test any Metro Cup participant.</p> <p>Any indiscretions found will incur the penalties as prescribed in the TFA Doping Policy.</p>
Item 25	Blood Rule
	<p>Any player with a bleeding cut or abrasion is to leave the field immediately and have the cut or abrasion cleaned and covered. At this time, any blood stained clothing must also be either cleaned or replaced. If the player does not leave the field immediately, the referee will stop the game and ask the player to leave the field (normal substitution rules apply). Once the flow of blood has been stemmed, the cut or abrasion cleaned and covered and any blood stained clothing and equipment cleaned or replaced, the player may return to the field and continue to play.</p>
Item 26	Medical Assistance
	<p>Teams are required to supply their own medical staff for the treatment of minor injuries. Any taping that is required must be supplied by the player or can be purchased from the administration office.</p> <p>TFA have approved a Concussion in Sport Policy for all affiliated events. Please see the TFA website for further details.</p>
Item 27	Forfeits
	<p>Teams must be in attendance at their playing fields five (5) minutes before the commencement of their match. It is the responsibility of each captain to report to the referees two minutes before the commencement of the game so that the toss of the coin can be affected without loss of time. If a team is not at the field at the advertised starting time of the game, the attending team can be awarded the winning of the toss. The offending</p>

	<p>team will receive a maximum of ten (10) minutes from the commencement of the game (siren/whistle) to position the team on the field and be ready to commence play.</p> <p>If the offending team is not in attendance after the ten (10) minutes has expired, the game will be deemed a forfeit and the non-offending team will be awarded a 5 - 0 win and three (3) competition points. The offending team will receive a score of 0 - 5 and no competition points</p> <p>For Premier Divisions forfeits are prohibited, Clubs must promote their lower grade players to prevent forfeits. Premier Division teams may be fined up to \$200 per forfeit.</p> <p>Should it be necessary for a team in another division to forfeit its scheduled fixture game in advance, the team contact must advise the Competition Manager by the close of business on the day before the scheduled game so that the referees and opposition may be contacted. Teams who forfeit after 12pm on their nominated match day may be deducted 3 premiership points at the discretion of the Competition Manager.</p> <p>If a team is forced to forfeit in the final series, the teams, must submit in writing at least 5 days before scheduled game the reasons for their forfeiture and it must be then approved by BMTA.</p>
Item 28	Interrupted Games
	<p>In the event of a total power failure, washout or other circumstance where games that have commenced cannot be completed, the following will apply:</p> <p>Event occurs during the first half—result will be declared void and the game will be replayed at a time and date to be advised.</p> <p>Event occurs prior to the 10th minute of the second half—result will be declared void, except where a team is leading the opposition by 3 or more touchdowns, in which case the leading team will be declared the winner. If declared void, the game will be replayed at a time and date to be advised.</p> <p>Event occurs after the 10th minute of the second half—result will stand.</p> <p>Where disruptions are temporary (of no longer than 20 minutes), the evenings schedule will continue as soon as possible.</p>

Item 29	Sub Boxes
	<p>Sub Boxes will be positioned at the halfway line on either side of the field unless otherwise instructed by BMTA. The team winning the toss will have the choice of sub boxes. Teams will not be required to change sub boxes at halftime.</p> <p>In a situation where a player in possession has no opponent between themselves and the scoreline, a defender cannot enter one area of the Sub Box with the substituting defender exiting from the opposite area of the Sub Box. Should such a situation occur, with the substitute defender's presence preventing a touchdown, the referee will automatically award a penalty touchdown and send the offending defender to the sin bin. The return of that player to the game will be at the Referee's discretion. Such substitutions can only occur with the exchanging players making contact with each other.</p>
Item 30	Apparel
	<p>Uniforms</p> <p>Players must wear complete matching uniforms. No dispensation for uniforms will be allowed – all teams are required to have complete uniforms at Game 1.</p> <p>Shorts/bottoms must be matching, that is the same colour and length. For example if black shorts are chosen all players must wear the same black shorts; stripes or strips of alternate colour are not permitted. Teams must not have a mix of shorts and bike pants/tights. Where a team chooses shorts, players are permitted to have bike pants/tights underneath their shorts. Skins, tights or similar garments are permitted as the uniform bottoms provided they are uniform, that is, are the same length (all above the knee or all below the knee) and the same colour (stitching colour is exempt).</p> <p>Players are permitted to wear skins or similar compression garments underneath their uniforms.</p> <p>Playing shirts must be matching. All players are to wear identifying numbers, not less than 16cm in height, clearly displayed on rear of the top or one-piece outfit. No two players of the same team may wear the same number. Numbers cannot be temporarily taped to shirts. Swapping of shirts between team members is absolutely not permitted.
