Rule 4 – Player Registration and Playing in Multiple Teams

All players must be registered online prior to their first game. Players may join a team and register until the registration deadline of Friday 28th March 2025.

Players **may** register and play for multiple teams playing on **different nights of competition or in different competition types**. For example, a player can register and play for a Monday Men's A and Tuesday Men's C or a Wednesday Mixed A and Wednesday Women's B.

No player may register and play for 2 teams in the same competition type (for example Monday Mixed A and Mixed Monday C or Tuesday Men's B and Tuesday Men's D).

New: A player may fill in for a team in the same competition type only if the following conditions are met:

- The team they are registered in and regularly playing for is in a **lower division** than the team they are filling in for
- The team they are filling in for is genuinely in need of players to avoid forfeiting.
- The same player is not regularly filling in for the same team.
- The player understands filling in does not make them eligible for finals in the higher division and that BMTA will not take requests to avoid game clashes to allow for players to fill in.
